STATINTL

I want to take this opportunity to thank you for your participation in the Special Panel which met on 17 and 18 November. I hope you find such meetings of value in keeping abreast of the problems we face. As you know, you are always welcome here.

The problems we were considering are going to be with us for some time to come and, if you have any second thoughts or recommendations, please pass them along to me.

I have just heard of your appointment as Staff Director to the Task Force. It should prove to be an interesting assignment in an extremely difficult problem area. Best wishes!

Sincerely,

151

Albert D. Wheelon
